## FRANCISCO LUGO

A Two Cents' Worth P.A.L.

April 10 - May 21, 2017

Francisco Lugo is a native of Orange County, California and the oldest of four siblings. At an early age his father introduced him to the power of visual imagery. Francisco is a Hispanic Senior Graphic Design Major at Chapman University. He is passionate about using his artistic skills to bring creative, original, and positive ideas to life, and to foster storytelling through design. To this end, he would like to infuse more Graphic Design into new and sometimes overlooked areas, such as children's books.
