The Paulo Freire Critical Pedagogy Archive contains collections and papers relating to Paulo Freire (1921-1997), his pedagogy, and that of leading scholars in critical pedagogy.

A significant portion of the archive consists of the records from The Freire Project, a highlight being the professional papers of scholars Peter McLaren (b. 1948) and Joe L. Kincheloe (1950-2008) along with material from Henry Giroux (b. 1943).

The archives also contain the teaching material from Prof. Alma Flor Ada, including a hand puppet of Freire that she used in her teaching.
