Mrs. Margaret Class, a California native, is an educator, book collector, and volunteer. She is an active member of the Miniature Book Society, the Book Club of California, the Movable Book Society, and Los Compadres, among others. Together, she and her late husband, John Class, pursued their love of book collecting, book making, and bookbinding. They acquired the largest private collection of leaf books, miniature books, and movable books. She has donated much of their collection to the Leatherby Libraries at Chapman University. From 2011 to 2017, Mrs. Class sponsored the annual John and Margaret Class Student Book Collection Contest. Please join us to celebrate the inauguration of the new John and Margaret Class Lecture Series.
