

## Based on the Book: A Reading List of Books Made into Movies

Below is a partial list of the books made into movies available in the Leatherby Libraries. Because the subjects are diverse, the books are located throughout the library. Please check for the floor and library. Immerse yourself in the rich, original stories that were adapted into film. Read the book, watch the movie. To get started on your reading voyage into the wonderful world of books made into movies, begin at the Leatherby Libraries homepage, <http://www1.chapman.edu/library/>. Just search for the title under Library Catalog. If you need any more suggestions, stop by the Reference Desk.
