

Books That Go Bump in the Night: Horror

Below is a partial list of some of the fabulous books available in the Leatherby Libraries that will have you sleeping with the lights on. Most of the books listed here can be found in the 2nd Floor Humanities Books Library. As a species, we seem to be fascinated by things that go bump in the night. These books examine horror and the horrific from many perspectives. To get started on your sleepless nights, begin at the Leatherby Libraries homepage, <http://www1.chapman.edu/library/>. Just search for the title under Library Catalog. If you need any more suggestions, stop by the Reference Desk.
