

War All the Time

Below is a partial list of some of the fabulous books about war and its consequences available in the Leatherby Libraries. Most of the books listed here can be found in the 2nd Floor Humanities Books Library. As a species, war seems to be part of our DNA, yet what have we learned from past wars? These books examine war from the generals who plan it to the soldiers who live it to the innocents who get caught in its crossfire. To get started on your reading odyssey, begin at the Leatherby Libraries homepage, <http://www1.chapman.edu/library/>. Just search for the title under Library Catalog.
