### A Special Evening with Comic Book Writer & Illustrator Tommy Kovac!

Please join us for this unique event when we will enter the creative world of Orange County artist Tommy Kovac. Kovac has been writing and illustrating comics since 1999. His early titles were *Stitch* and *Skelebunnies*. He currently writes and illustrates *Autumn*, a dark tale of betrayal and redemption. Kovac has also taken on a new role as writer for *Wonderland*, published by SLG and Disney. This new look at Lewis Carroll's creation is written by Kovac and illustrated by Sonny Liew. When illustrating his own work, Kovac focuses on highly-detailed line work and distinctive lettering, all done by hand. His storytelling ranges from irreverent and naughty, to tragic and complex, to fun and fantastical, depending on the project. Visit [www.tommykovac.com](http://www.tommykovac.com) for more information.

During our program we will also honor the **2008 OCLA Scholarship Winners** and award a grant to this year's **Special Project** recipient!
