

Change of Education Program Form

Procedures:

This form is used for currently admitted graduate students who wish to change their education program from a masters program to a credential program, or credential program to a masters program. *Note: If changing emphasis within a credential program (e.g. single subject to multiple subject), use Change of Major/Minor/Emphasis Form.*

1. Student submits **completed form along with new application for admission** to the Academic Advisor at the local campus for signature.
2. Campus submits completed form and new application to the Admissions Office at the Orange campus.
3. All admission criteria as stated in the CUC catalog for the new requested program must be met.
4. Admission to the new program must be complete two weeks before the start of a semester. If this deadline cannot be met, student will be required to wait until the subsequent semester.
