Dear Dr. Dehning,

On behalf of the 44th Congressional District, I would like to congratulate you on receiving the Fulbright Award.

As a recipient of this prestigious award, you have demonstrated outstanding academic achievements as well as shown exceptional interest in our nation's foreign affairs. I am sure you will continue to excel academically and in your other fields of interest. I am delighted to see a constituent from my district receive this wonderful distinction, as well as obtain such valuable resources for their education. I am very proud of your accomplishment.

Once again, congratulations and I wish you the best.

Sincerely,

KEN CALVERT
