One-Paragraph Summary of Gameplay and Objectives	In a post apocalyptic town of Residuum, you may play as any character by simply interacting with them and choosing the “play as” option. You must choose your actions carefully and pay attention to each characters status bars. Sleep, Likeability, Energy, and Health all contribute to how AI will respond and how the story may playout. In Residuum there is no villain or hero, but you may certainly turn into one. Each character will have a task list that will range from day to day life in Residuum or large story and plot development.
