For both the hardcore and casual gamer, this tower defense meets lane pusher offers the control and tactical customization needed for competitive play while boasting a simple, easy to use interface, creative storyline, and a unique, playful art style.

**GAME PLAY & OBJECTIVE**

Guide the Hero, utilizing movement controls and active skills to tear your foes asunder. Hire and send an army of swordsmen, archers, monks, mages, ninjas, and specialized pets to aid your Hero while raising towers to defend yourself against onslaught. Customize your forces through upgrades in order to smash through your enemies, destroy their base, and claim victory!
